

## SIGNATURE ICE SCULPTURED HOOKAH . 1,000

Produced using exclusive V2A stainless steel and bespoke craftsmanship, and nestled on top of a hand sculptured ice block, white's signature hookah has been designed to make a statement.

By replacing the traditional glass bowl, the filled ice sculptured block retains the water at below freezing temperatures whilst you enjoy a refreshingly light hookah.

Choice of Regular and/or Premium Flavours available.

## PREMIUM HOOKAH . 350

Constructed from premium, stabilized ash wood and austenitic stainless steel, the premium range 'volt' hookah integrates patented "cool down" bowl blowing system as a button, allowing you to conveniently control the smoking process and remove the effect of overheating the mixture at the simple touch of a button.

### Premium Flavours
